Video Discussion Questions

Directions: Watch the video "Behind the Scenes: Mountain of Fire." Then answer the questions below.

1. Name three different sources that Lauren looked at during the first step of her research process. What was the goal of this step?

2. Why do you think Lauren likes to tell narrative nonfiction stories?

3. Look at the sensory details that appear on screen at 2:31. What is the purpose of including these kinds of details in the article?

4. Lauren explains that she "couldn't include everything" in her article. What would likely happen if she tried?

5. Which do you think is the most important research step of the six Lauren lists in the video? Explain.
