Video Discussion Questions

Directions: Watch the video "Behind the Scenes: Attack at Sea." Then answer the questions below.

1. What research did author Kristin Lewis do to prepare for writing "Attack at Sea"?

2. Based on clues in the video, what do you think a primary document is?

3. How does the mood (or feeling) of the video change between the section about life in 1915 and the section about World War I? Consider the narration, music, and visuals.

4. Lewis says that traveling on the *Lusitania* was "a luxurious experience." What do you see in the video that supports this statement?

5. Lewis explains that she wrote 12 drafts of her article before she was satisfied with it. What does this tell you about the importance of editing?
