Video Discussion Questions

Directions: Watch the video "Behind the Scenes: The Flaming Sky." Then answer the questions below.

1. According to the video, what made zeppelins better than other forms of transportation in the 1920s and 1930s? Include two details in your answer.

2. Author Lauren Tarshis says that the *Hindenburg* "became famous around the world." What do you see in the video that supports this statement?

3. What is the mood (or feeling) of the video during the section comparing the *Hindenburg* with the *Titanic*? Consider the music, narration, and visuals.

4. Name three different sources that Tarshis used to help her write her article. What was the main goal of her research?
