Video Discussion Questions

Directions: Read the article "How to Save Two Dolphins" and watch the video "Can a Picture Change the World?" Then answer the questions below.

1. How do you think the photograph of young boys working around dangerous machinery (0:56) and others like it might have helped children?

2. How might the photo of President Kennedy playing with his children in the Oval Office (1:19) have affected the way people saw the president?

3. How might the famous "Earthrise" photo (1:45) have affected the way people thought about the planet?

4. How does Hardy Jones use his camera to help improve the lives of dolphins?
