## Video Discussion Questions

**Directions:** Watch the video "Behind the Scenes: Saving the Great White Monster."  
Then answer the questions below.

1. How does author Lauren Tarshis want you to feel toward the great white shark after reading her article "Saving the Great White Monster"?
2. According to the video, why are sharks more important to the ocean than many other kinds of fish?
3. How is an ecosystem—a community of living and nonliving things—similar to a row of dominoes?
4. How did the author feel at first while researching this topic? Why? How did she feel after writing the article? Why?
5. What would you like to learn from reading the article?
