Dogs to the Rescue

Directions: Read the article "A Race Against Time" and watch the video "Into the World of Military Working Dogs." Then answer the questions below about dogs, using information from both the article and video. Check the appropriate box to indicate if the answers are similar or different.

| | Search-and-rescue dogs (in the article) | Military working dogs (in the video) | Similar | Different |
|--|--|---|---------|-----------|
| What main jobs do they do? | | | | |
| Which sense is most important in doing their work? | | | | |
| How do they learn to do their jobs? | | | | |
| Why are they valuable to humans? | | | | |

You Write It! On a separate piece of paper, write a paragraph explaining how humans rely on dogs in some life-threatening situations. Use examples from both the article and the video in your explanation.
